5 PROCEDURE IMPLEMENTATION

5.1 COMPLIANCE OVERVIEW

The Public Authorities Law (“PAL”) requires the Corporation to establish policy guidelines to accomplish the following:

- 5.1.1 Ensure that the Corporation’s contracting activities comply with Title 5-A, Article 9 of the Public Authorities Law, the Corporation’s enabling statute, and any other applicable law pertaining to the Disposal of Real Property.
- 5.1.2 Maintain inventory controls and accountability systems for all Real Property under the Corporation’s control.
- 5.1.3 Periodically inventory Corporation Real Property to determine which Real Property shall be disposed of.
- 5.1.4 Dispose of Corporation Real Property interests as promptly as possible in accordance with the PAL.
- 5.1.5 Prepare annual reports of Real Property Disposal transactions.

5.2 DISPOSITION OF CORPORATION REAL PROPERTY

- 5.2.1 The Corporation may Dispose of Real Property for not less than the Fair Market Value of such Real Property by sale, exchange, or transfer, for cash, credit or other property, without warranty, and upon such other terms and conditions as the Contracting Officer deems proper under the provisions of the PAL and as implemented by these Guidelines. Fair Market Value of the Corporation Real Property subject to Disposal shall be established by independent appraisal as appropriate and consistent with the intent of the PAL. Such appraisal documents shall be included in the record of the Real Property Disposal transaction.
- 5.2.2 Except as set forth in Sections 5.2.3 and 5.2.4 herein of the Guidelines, any Disposal of Real Property shall only be made after publicly advertising for bids in accordance with the following:

Guidelines for the Disposal of Canal Corporation Real Property

- a) the advertisement for bids shall be made at such time prior to the Disposal or contract, through such methods, and on such terms and conditions as shall permit full and free competition consistent with the value and nature of the Real Property; and
- b) all bids shall be publicly disclosed at the time and place stated in the advertisement; and
- c) the award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the Corporation, price and other factors considered; provided, that all bids may be rejected when it is in the public interest to do so.

5.2.3 The Disposal of Corporation Real Property by Negotiation or Public Auction

- a) The Disposal of Corporation Real Property may be negotiated or made by public auction without regard to Section 5.2.2 but subject to obtaining such competition as is feasible under the circumstances, if:
 - 1. the Fair Market Value of the Real Property does not exceed fifteen thousand dollars (\$15,000.00); or
 - 2. bid prices after advertising therefore are not reasonable, either as to all or some part of the Real Property, or have not been independently arrived at in open competition; or
 - 3. the Disposal will be to the state or any political subdivision, and the estimated Fair Market Value of the Real Property and other satisfactory terms of Disposal are obtained by negotiation; or
 - 4. under those circumstances permitted by Section 5.2.4; or
 - 5. such action is otherwise authorized by law.
- b) The Disposal of Corporation Real Property may also be made by negotiated sale without regard to Section 5.2.2 but subject to obtaining such competition as is feasible under the circumstances, if ALL of the following conditions have been satisfied:

 - 2. an appraisal of the fair market value of such property has been made by an independent appraiser and included in the record of the transaction; and

3. the fair market value of such real property is greater than fifteen thousand dollars (\$15,000.00) but not greater than seventy-five thousand dollars (\$75,000.00); and
4. such real property was improved prior to April 1, 1992 under a municipal permit or a permit issued pursuant to Section 100 of the Canal Law, thereby creating an encroachment on Corporation Real Property; and
5. the purchaser of such Real Property is, or will be, the owner of the improvement that either fully or partially encroaches on Corporation real property; and
6. the consideration paid for such real property will not be less than the fair market value of the real property exclusive of the value, fair market or otherwise, of the encroaching improvements.

5.2.4 Below Fair Market Value

- a) No Real Property owned, leased or otherwise in the control of the Corporation may be sold, leased, or otherwise alienated for less than its Fair Market Value except if:

 2. the purpose of the transfer is within the purpose, mission or governing statute of the Corporation; or
 3. in the event the Corporation seeks to transfer Real Property for less than its Fair Market Value to other than a governmental entity, which Disposal would not be consistent with the Corporation's mission, purpose or governing statutes, the Corporation shall provide written notification thereof to the Governor, the Speaker of the Assembly, and the Temporary President of the Senate, and such proposed transfer shall be subject to denial by the Governor, the Senate, or the Assembly. Denial by the Governor shall take the form of a signed certification by the Governor. Denial by either House of the Legislature shall take the form of a resolution by such House.
